Written in Stone

God took the time to write the Ten Commandments in granite with his own finger. As Christians, is this something that we should think about today? In Roman 6:14, we can read that we are no longer under the law but under grace. Does that mean that Christians no longer have an obligation to keep the Ten Commandments? In the story of Daniel and the lion's den in chapter six it may help us to understand the Biblical relationship between salvation and the Law of God and how it all fits together.

After the Babylonian kingdom fell to the Persians, the new king, Darius, was very impressed with Daniel's ability and his high spirit, and he was thinking about making him the Prime Minister of his new kingdom. But this was not going over very well with the members of Darius' cabinet. Because Daniel was a former servant of Nebuchadnezzar, who was their enemy, and because Daniel was a former captive among the Israelites, they could not understand why the king wanted to promote somebody that was a foreigner to be the new Prime Minister.

So they came up with a plot and went to Darius and said, "Your Highness, a new kingdom is now being formed now that we have conquered several other empires, and the best way to get everyone all together will be through common worship. So in order for you to get this new kingdom all together, you will need to make a new law. It doesn't have to last long, but just for thirty days nobody will worship any god or man except for you and this will solidify your kingdom." Often the devil uses common worship and common language to do that.

Promoting Your Perfect Brand

Anne Childers, Staff Writer

Businessman Tom Finley learned the value of strategic branding as a 20 year veteran and top producer for Johnson & Johnson. He traveled the country calling on major corporations and noting successful companies kept their brands continuously in front of the public. Tom saw firsthand how consumers are bombarded daily with products and services; and when a business stopped self-promoting, the public moved on to another competitor. He opened his own business, We Love Logos, in 2007 in order to utilize his years of experience and expertise in a field he loves. Tom or assistant Jackie Sayles can help you choose the products available to carry your message to the marketplace. We Love Logos carries thousands of products and price points and proudly states "we logo anything!" Polo/golf shirts, t-shirts, pens, hats, uniforms, tote bags, and medical scrubs featuring embroidery or screen printing is all in a day's work for this New Tampa business. Free virtual or live samples are provided. We Love Logos also gives back to the community with special rates for charity and charity events.

Women-n-Charge's Annual Tea Fundraiser

Submitted by Amanda Wright, WNC PR Chair

On September 17, 2016, Women-n-Charge—whose mission, in part, is to support and assist professional women in managing their businesses more effectively—held their annual fundraising tea event to raise funds for their grant program.

The tea, held at The Groves Golf and Country Club in Land O' Lakes, was a magnificent success! The actresses of “The Case of the Great Jewel Robberies” did a wonderful job, and we think it’s safe to say that everyone had a great time! The delicious tea fare was provided by Ghada Jadallah of A Dash of Salt ‘n Pepper, the stage set and art work was provided by Roxanne Harmon of Murals and More, the set construction and set up was provided by Rick Pike of Waterline Construction, the sound system was provided by John Jay the DJ, the raffle and prize organization was headed up by Rosie Heim of Avon, the volunteer helpers were the GFWC Little Women of Lutz, and the hair extensions for Ruby Ring and Goldie Locks were provided by Jill Canfield of J Ellen Studios!

Anne Childers, aka Sherla Combs, was the 2016 Tea Committee Chair & Cast Director. The cast, consisting of Elayne Bassinger (Tea Co-Chair), Mary Adele Cluck, Jill Canfield, Barbara Brekke, April Saland, Penny Pike, and Yvette Behmer, supplied a very entertaining mystery play and they pulled the audience in to solve the case! In addition to the play, all enjoyed a Hat Contest and the Best Dressed Tea Table Contest. The judges were Paula O’Neil (Pasco County Clerk of

the Court), Sandy Graves (Lutz Honorary Mayor), and Terri Dusek (Central Pasco Chamber President). Prizes were awarded for The Best Themed, The Loveliest, The Most Creative, and The Most Elegant.

We raised enough to fund our Grant Program for Women in Business. The grants will be awarded in the spring of 2017. Learn more at women-n-charge.com/Grants.html. Thank you to all of our sponsors, raffle donors, volunteers, supporters, and guests for helping us make this a great event! To learn more about Women-n-Charge, attend a meeting, or visit www.women-n-charge.com. The organization meets the first Friday of every month at Pebble Creek Country Club in Tampa from 11:30am to 1:15pm.

Many people have to reach a place where they are so uncomfortable with the pain of staying there that it outweighs the fear of changing. Many people reach a point where they say, "I just can't live like this anymore." The good thing about reaching that point is that you are more likely do something about it. Often when someone doesn't have enough pain or discomfort, then it doesn't motivate them to take action.

The most common things women tell me when they finally get the courage to call is, "I saw a picture of myself and I couldn't believe my body has turned into this." Or "Someone asked me when my baby was due and I am not pregnant!" Or "I feel like I am 20 years older than I am and I am starting to look like my mother who is not healthy or in shape." Or "I am the heaviest weight I have ever been and every time I step on the scale, I tell myself that is the heaviest I will let myself get, until the next time." Or "I kept telling myself I can do this on my own but it's not happening."

Usually when someone reaches these places, they realize that if they don't do something now, they might be in big trouble later with their health. They start to get really concerned about the next 10 to 20 years of their life and some can't think that far in advance and can only think about being concerned with the next 3 months.

I heard a statement over 20 years ago that really impacted my life, which was "You will never change what you tolerate." That is so

What Does It Take To Change?

true! If you accept it in your life, you won't change it. But if you say, "Enough is enough, I am not going to live like this anymore," then possibly you will muster up enough courage to do something about it. If you don't, very quickly one more month turns into another year and then all of a sudden another decade. Then we wake up 20 years older, looking at ourselves back in the mirror with regret because we didn't take care of our bodies.

I encourage you to do something about it now. Don't wait. Don't let it get to a point where you are forced to get serious because you are facing some serious medical condition. You can be proactive with your health and take action.

I know it can be a little scary and some feel nervous about making those decisions, but you have to start somewhere. Sometimes it's making the phone call or going on the website that can be the most difficult part.

Our business is set up to help you learn how to eat healthier in a way you love, get rid of food cravings and experience a new healthy relationship with food. And to get your body moving again to get a toned, fit body. We can help you if you give us the chance. We have 3 locations: Land O' Lakes, Wesley Chapel, and opening soon in Carrollwood. We are starting pre-sales on our memberships in Carrollwood and will be having massive specials to celebrate the new location.

Take that first step, just call us or go on the website and book a Body Transformation Analysis. This could be the next step you need to turn your life into a happier, healthier one where you feel great and can look in the mirror again and love your reflection! Tax Collector Accepting Shoes for Students

The Pasco County Tax Collector's Office is participating in the new shoes and socks collection campaign to assist local students and families in need. A collaborative effort between Pasco County government and the school district, the "Two Good Soles" campaign, is seeking to collect as many new pairs of shoes and socks as possible. The tax collector's five offices in Pasco County will be collection sites for these donations between now and October 25, the final day of the collection.

The need for shoes is primarily at the middle and high school level. While the tax collector's office will accept donations of shoes and socks that are new and unused, the school district reports that the sizes most in need are children's shoes 9 and up and adults 5 and up. Socks of all sizes are welcome. It is recommended that sneakers, tennis shoes and socks be of a "neutral" color, but all donations of new items will be accepted.

If you are interested in making a donation, please visit one of our five offices in Pasco County and leave your donation in the labeled collection box near the door. The offices are located as follows:

- Land O' Lakes - 4111 Land O'Lakes Boulevard (Hwy 41), Land O'Lakes, FL 34639
- Wesley Chapel - 4610 Pet Lane, C 101, Lutz, FL 33559

All offices are open Monday, Wednesday and Friday from 8:30am to 5:00pm, Tuesday and Thursday from 7:30am to 6:00pm, and Saturday from 9:00am to 1:00pm (with the exception of New Port Richey, which is closed on Saturday).

For more information about the "Two Good Soles" shoe and sock drive, or any other service provided by the tax collector's office, please contact Greg Giordano, Assistant Tax Collector for Communications & Special Projects at (727) 847-8179.

Pasco Tax Collector's Office Offers Fingerprinting Services

Starting on September 12, the Wesley Chapel branch of the Pasco County Tax Collector's Office will begin offering fingerprinting services to the general public. The new service will help individuals who may need fingerprints for professional certification, employment requirements, background checks for volunteer work, records of personal identification or any other reason to have their fingerprints taken quickly and efficiently.

Fingerprinting services will be provided in the Wesley Chapel branch office, which is located in Compark 75 (off Wesley Chapel Boulevard) at 4610 Pet Lane, Suite C101, Lutz 33559. The services will be available on Monday, Wednesday, and Friday from 8:30am to 4:00pm and on Tuesdays and

Thursdays from 7:30am to 5:00pm. This service is not available on Saturdays at this time. Appointments for fingerprinting services are not required. Customers will be served on a first-come first-served basis.

The cost for fingerprinting is very reasonable when compared to for-profit providers. If an individual would like their prints taken and transmitted to a third-party (i.e. for employment background checks or other professional requirements) the cost will be \$12 per set of prints. If an individual would like their prints transmitted and would like to retain a hard copy of their prints the cost will be \$17 per set.

For more information, call (727) 847-8032, (813) 235-6076, or (352) 521-4338.
